A Visit to the Doctor

I am going to go to the doctor’s office.

When we get there, we will go to the front desk and tell them my name.

We will sit in the waiting room. While I wait, I can play with toys and look at books.

A nurse will call my name and I will follow them to the doctor’s office.

I will wait in the doctor’s office until the doctor comes in.

The doctor will talk to my family. The doctor might ask me questions too.

When we are done, we will check out at the front desk and say goodbye.
Everyone will be proud of me!
